Summer Term  
2018

27th April  
2018

*'We reach for the stars'*

Dear parents and carers

Another week down and lots of **fantastic work** produced by your children! Its great to see the enthusiasm when they are learning. Let's keep up the good work! Just a couple of notes this week. Please make sure that no **scooters or bikes** are ridden in the school yard. Children can dismount at the gates of school and push these across the yard to park up. Also a reminder that dogs are not allowed on site or gate areas, even if they are on a lead or carried. This is for the safety of the children and others. Some of our children are frightened of dogs. Yours might be the loveliest pooch in the world but some of our smaller children won't understand that – so please think of our little ones. Thank you.

**Reception**—Please can we ask that no one enters the early years play yard at the rear of Lower School before school starts. Reception staff will open the gate for your children to enter and go to class. Parents don't need to enter this yard as staff will be waiting to greet your child.

**Sailors ahoy!** We will send out the list of who is on which voyage on Monday. With 3 primary schools, 5 secondary schools and 4 voyages in the mix it will be difficult to make changes but we'll do our best. There will be a meeting for parents at 2.50 on Fri 4<sup>th</sup> May. Cap'n Mandy from Parkhead will come over to answer any questions you may have about the voyages. Hopefully that should cover any queries – if not, just let us know.

Please remember to bring **hats and sun cream** in this term as the weather is changing and it seems summer has finally decided to arrive.

Here's hoping the sun stays out for this weekend.

*Mrs Tetley*
